So, what are we looking for? We are looking for pictures of plants, wildlife, or scenery shots that capture the spirit of the San Pablo Bay National Wildlife Refuge. Technical quality, clarity and composition are all important, but so too is the ability to capture a picture-perfect moment.

The winner will receive a deluxe wine package donated by Viansa Winery. Entries must be received by February 1, 2010. The winners will be announced at the Friends Annual meeting February 27, 2010. All entries will be considered for publication on the internet, calendars, or post cards. Selected photographs will be given proper credit and acknowledgements.

This contest is open to any photographer and entries must be taken within the boundaries of the San Pablo Bay National Wildlife Refuges. Enter your photograph and kindly let us know your name, contact information, and where the photograph was taken.
